

Membership Committee Report

Thanks to Nakayla Lestina here are some bar graphs to show our 2019 Membership from a few different perspectives.

At our Summer meeting in June in Wray, I reported we had 55 members from 2018 who had not renewed their SRM membership for 2019. I hope by our Summer 2020 meeting there will be fewer “lapsed” members they are described our Section Reports from Allen Press, SRM’s Business office.

By late October’s Annual Meeting we had 200 members in Colorado Section. Since then we have had 12 new and/or members who are now current through December 2020.

I look forward to continuing as the Membership Chair for our section in 2020.

Kathleen
